Bessemer 4th of July

The annual Bessemer Blast is billed as “the U.P.’s biggest and best” Fourth of July celebration. The 11-day holiday period will kick off on Saturday, June 24, with numerous events that will continue through Tuesday, July 4.

This year’s roster will include plenty of live music, with Flashback performing on Friday, June 30 at 8 p.m., followed by the Brady Luke Band on Saturday, July 1 at 8 p.m. and the Dweebs on Monday, July 3 at 9 p.m. All performances will be on Sophie Street.

The Hometown Run/Walk and Roll will start on Saturday, July 1 at 8:30 a.m. at Bessemer City Hall, and a 3-on-3 basketball tournament will start on Sunday, July 2 at 9 a.m. on Mary Street. Other expected activities on various days will include a polka dance, street bowling, a chalk-drawing contest, a water balloon toss, bean bag and electronic dart tournaments, and a mud run.

Tuesday, July 4 will be jam-packed with family games and races from 9:30 to 11:30 a.m. at Massie Field. The chil-

dren’s parade will be at 1:30 p.m. downtown, followed by the Bessemer Volunteer Fire Department’s open house with free hot dogs and soda. The main parade kicks off at 7 p.m. downtown. Afterward, Marty’s Goldenaires Drum and Bugle Corps, fresh from the parade, will perform at Massie Field, followed by the “Thunder on the Mountain” fireworks display at 10 p.m.

Tickets for a 50/50 raffle will be sold

throughout the celebration, with the winner to be announced at the end of the parade. Last year’s winner won \$42,371. Other gaming will include a Poker Run and a Geocache Dash, as well as bingo at Bessemer VFW Post 3673.

Most events are free. For a full list of all activities, monitor local media and visit bessemer4th.com, where a related app is available for download.

Wakefield 4th of July

Wakefield offers a full slate of activities for the Fourth of July.

The 25th annual Matt Ahonen Memorial Softball Tournament will take place from June 23-25 at Gabby Fields on Cemetery Road. Concessions will be available.

On June 27, a "Forchuly" open house will take place from 1 to 4 p.m. at the Wakefield Historical Society's museum on main street.

On July 3, a town picnic will start at 1 p.m. in Eddy Park next to Sunday Lake. Entertainment will include music, bingo and kids games, and food and beverages will be available for sale. At 7 p.m., the Gogebic Range Concert Band will perform in the old park pavilion. At 10 p.m., the "Lightning on the Lake"

fireworks will take place over Sunday Lake.

On July 4, the children's parade will begin at 1 p.m. from the main street fire hall and will end at the old City Hall. The general parade also will start at 1 p.m. from "Cormier's Corner" (U.S. 2 and Putnam Street) and will continue onto Sunday Lake Street. Just before the parades, members of the Klassic Kruisers will cruise the streets in their classic cars.

After both parades, children's races will be held at Roger Randall Field, west of the school. Traditionally, many folks also gather at either American Legion Post 11 at 605 River St. or at Wakefield's VFW Post 9082 on U.S. 2.

Watch local news reports and the city's Facebook page for continuing updates as the holiday nears.

Ramsay 4th of July

The 11th annual Bessemer Township Fourth of July celebration will take place in Ramsay on Sunday, July 2, with several evening activities.

The event will include the annual street dance from 6 to 10 p.m. behind the township Fire Hall, which overlooks Ramsay Memorial Park on Black River.

A central Wisconsin pop-rock band called SLAB will provide live music. During a band break, Marty's Goldenaires Drum and Bugle Corps also is expected perform about mid-evening.

The 50/50 raffle drawing will take place at about 9:30 p.m. The winner need not be present. Ticket sales will

begin two weeks prior to July 2 and will end at about 8:30 p.m. at the conclusion of the Marty's performance.

The annual fireworks, known as "Rumble Over the River," will take place after the drawing.

Watch local media and the Ramsay July 4 Facebook page for more details.

Festival Ironwood

The 2023 Festival Ironwood is scheduled for July 12-15 at the Historic Ironwood Depot Park between Lowell and Suffolk streets in downtown Ironwood.

The four-day, midsummer, family-friendly event offers an annual art, craft and trade show, as well as food and

games for kids of all ages, including the "World's Largest Duck Pick."

The festival also features live music, a classic car show, a sand volleyball tournament, and a walk/run/roll event.

Look for event updates and registration forms on the Ironwood Area Cham-

ber of Commerce website at ironwoodchamber.org (under "Events") and on Facebook. You also may register for the art show, the craft/trade show, the car show or the races by calling the chamber at 906-932-1122 or by emailing chamber@ironwoodchamber.org.

Hurley offers fun

The community of Hurley has scheduled a busy season of fun for young and old.

Memorial Day ATV/UTV Rally

The motorized trails in Iron County are legendary, and the summer trail-riding season starts with a series of events for the 37th annual Memorial Day Weekend ATV/UTV Rally from Thursday-Sunday, May 25-28.

A poker run typically kicks off the rally on Thursday, May 25. As they tour, drivers can try their luck at drawing a winning hand at participating businesses.

On Friday, May 26, the largest ATV/UTV parade in the Northwoods will take place. A great weekend of riding wraps up with the infamous mud pit downtown Hurley on Sunday, May 28.

Iron County Heritage Days Festival

The annual Iron County Heritage Days Festival celebrates the logging and mining industry of Iron County while highlighting the area's various ethnic heritages. It will run this year from Saturday, July 29-Sunday, Aug. 13 at various locations across the county.

The Hurley Education Foundation will offer its annual open house at the Hurley K-12 School on Saturday, July 29 from 8 a.m. to 10 a.m. with tours and a complimentary continental breakfast in the school commons. At 10 a.m., the foundation will hold its annual induction ceremony in the auditorium, followed by the Hurley Quarterback Club's Hall of Fame induction ceremony at noon in the same location.

Also on Saturday, the Iron County Heritage Days Parade will be held on Silver Street at 2 p.m., followed later by the All-Class, All-School Reunion at the Iron County Memorial Building from 4 to 9 p.m.

Paavo Nurmi Marathon

The 53rd Paavo Nurmi Marathon will be held on Saturday, Aug. 12 with preliminary events on Friday, Aug. 11, including a torch lighting.

Participants in Wisconsin's longest running marathon will shuttle in advance from downtown Hurley to the starting line on Saturday, Aug. 12. The marathon and relay will start at 7 a.m., followed by a half marathon at 8 a.m. Once again, the course will be certified in May as a Boston Qualifier, after which a full map with splits, aid station locations and other details will be provided.

"The Finnish Line" will be full of fun with kids' activities, live music, food and beverages, and a vendor/craft market in downtown Hurley.

Registration and packet pickup will take place on both days, with details not yet announced at press time. New this year on Friday will be a Twilight 5K Run/Walk in downtown Ironwood.

Registration details are available at thepaavonurmi-marathon.com and at the new Facebook page at @The Paavo Nurmi Marathon.

Festival Italiano

Hurley will celebrate Festival Italiano on Saturday, Sept. 2, starting at 11 a.m. in the downtown area. The full day will recognize the area's rich Italian heritage with food, vendor markets and a "Kidz Zone." Live music by Aftershock will be offered in the evening.

Monitor local media for developing news on all Hurley events. For more information and trail maps, call the Hurley Area Chamber of Commerce at 715-561-4334, email hurley@hurleywi.com or visit hurleywi.com.

Iron County Fair

The 96th annual Iron County Fair will be held from Thursday through Sunday, Aug. 3-6 at the fairgrounds in Saxon. The first day is primarily for check-in and registration.

The fun will include live music, a mud run, a popular pie auction, expanded tractor events, and carnival rides by S & J Enterprizes of Sherwood, Wisconsin.

Among additional fair activities will be an antique tractor show, an old-fashioned horse-pulling contest, and plenty of 4-H horse shows. A Saturday youth livestock auction will run from 6-8

p.m. in the pen near the cattle barns, allowing Iron County 4-Hers to display their market projects, including steers, hogs, lambs, chickens and turkeys. Fair-goers will be encouraged to bid on the homegrown animals.

On Friday, live music will be offered from 3 to 6 p.m. by Shawn Kitto in the pavilion and from 7 to 10:30 p.m. by IV Play on the big stage near the ball field. On Saturday, in the pavilion, Flashback will perform from 3 to 6 p.m. and Snake Oil is scheduled from 7 to 10:30 p.m. on the big stage. On Sunday, Johnny Propane will perform from

noon to 3 p.m. in the pavilion.

The fair is part of the Iron County Heritage Festival, which includes many events under one umbrella in late July and August. Overall, festival and fair events encourage former residents to return home for a weekend of memories and catching up with friends.

To get to the fair from Ironwood, take U.S. 2 west to Saxon, and then turn left at either the County B intersection or the Wisconsin 122 intersection. For more information and directions from other sites, visit ironcountyfairwi.net.

Gogebic County Fair

The Gogebic County Fair will be held over a long weekend from Aug. 10-13 at the county fairgrounds in Ironwood.

This family-friendly fair offers four full days of events and activities, as well as a midway carnival with plenty of rides and game booths.

An exciting new feature this year will be a full rodeo by the Rice Bull Riding Company of Medford, Wisconsin. The rodeo is scheduled for Sunday, Aug. 13 at 2 p.m.

Also included will be a pie auction, a craft show, a flea market, an antique tractor show, a vintage tractor parade, a mud run and a hot pepper-eating contest.

Live music of various genres will be featured. Among the entertainers will be Outlaw'd, Flashback, and Mike Magee.

The annual Gogebic County 4-H Market Livestock Auction will be held behind the cattle pavilion on Saturday,

Aug. 12 at 5:30 p.m. The auction will include steers, hogs, lambs, and pens of turkeys and broilers.

Harness racing will feature trotters and pacers on a half-mile track, and other horse shows also will be scheduled, along with additional miscellaneous entertainment and a variety of exhibits.

For more information and complete event schedules, visit gogebiccounty-fair.com or email fair@gogebic.gov.

Mercer: Loon Capital

Mercer, Wisconsin — known as the Loon Capital of the Northwoods — is never shy of entertainment for both residents and tourists alike.

Lupine Junefest/Bird Festival

The annual Lupine Junefest on Saturday, June 10 is an opportunity for bicycle enthusiasts to tour southern Iron County and see wild lupine flowers in full bloom. Participants can choose from routes of 10, 28 or 50 miles, or they can pick their own route. All routes start in the morning at Carow Park and use paved town roads and trail routes that run along lakes and rivers. Events run from 8 a.m. to 1 p.m. For registration information, go to mercervbybike.com.

Although the Mercer Bird Festival normally takes place in conjunction with Junefest, its organizers are considering a different date this year and recommend monitoring local media and the Mercer Area Chamber of Commerce website mercerc.com for details. The annual event is part of the town's affiliation with Bird City Wisconsin and is open to birders and nature lovers. The event offers early-morning registration for guided bird hikes.

Fishing Tournament

The Mercer Open All-Species Fishing Tournament on Friday-Sunday, June 23-25, is a reinvented version of the former Can-Yak Fishing Tournament, to allow for all types of watercraft to be used for this catch/photo/release tournament. The day-long event will include one division for canoes and kayaks, and another open to all other vessels. The tournament will occur on publicly-accessible lakes and rivers in southern Iron County.

Fourth of July

The Fourth of July parade will begin at 11 a.m. Tuesday on U.S. 51, which is the main street of Mercer. Festivities will continue later at Carow Park, including music, kids' activities and plenty of food and drinks. The night will end at dusk with fireworks over Grand Portage Lake.

Backyard BBQ Cook-Off

The Mercer Area Chamber of Commerce will host an amateur barbecue competition: the Mercer Backyard BBQ Cook-Off on Saturday, July 15 at Carow Park. Food categories will include ribs, pork butt and brisket. Meat

will be provided for participants, with public tasting and judging set for noon.

Loon Day

Mercer will celebrate its 43rd annual Loon Day on Wednesday, Aug. 2, from 9 a.m. to 4 p.m. The event will include more than 250 artists and crafters, as well as a flea market, sidewalk sales, live music, raffles, and a 1:30 p.m. loon-calling contest. A free shuttle will be available from Carow Park. The night before the event, on Tuesday, Aug. 1, a street dance will take place from 7-11 p.m. For more information, visit mercervloonday.com.

Pig and Corn Roast

The Turtle-Flambeau Flowage Association Pig and Corn Roast will be held on Saturday, Aug. 12 from 3 to 7 p.m. at the Midway Bar in Butternut, Wisconsin. The event menu will feature pork with "all the fixings" and sweet corn. Raffle proceeds will go toward TFFA activities. For more information, call 715-769-3680.

For more information on all things Mercer, contact the chamber at 715-475-2389 or via email at info@mercervcercc.com.

1035 W. State Hwy. M64, Ontonagon, MI

Ontonagon County

Bruce Crossing Fourth of July

The largest Independence Day celebration in Ontonagon County will be held on Saturday, July 1 in Bruce Crossing. Activities were not yet confirmed at press time, but the event typically includes a parade, followed by live music, food and games, at the Stannard Township Park pavilion. The day will end with a large fireworks display.

Greenland Fourth of July

Greenland's Fourth of July Celebration will be held this year on Saturday, July 1.

Events were not yet announced at press time, but previous years have included any or all of the following: a morning kickball tournament, a Greenland Independence Walk/Run/Roll, cornhole tournaments, and kids' games and activities.

During the day, a kiddy parade generally combines with the main parade on Plank Road, followed by a picnic with live music in the adjacent park.

The celebration generally closes with a street dance and fireworks.

White Pine Warrior Weekend

White Pine's annual Independence Day bash will be after the holiday on July 28 and 29. The Carp Lake Township Community-wide Picnic will be on Friday from 4 to 7 p.m. at American Legion Nonesuch Post 462. Food, games, raffle baskets, a 50/50 raffle and live music by Lovin' Country will be

included. Fireworks at Mineral River Plaza will follow on Saturday evening. The celebration will be in conjunction with Warrior Weekend, which generally features a walk/run/roll event and other activities.

Copper Fest Heritage Festival

The Copper Fest Heritage Festival is scheduled for Friday through Sunday, July 21-23 in Ontonagon. The event celebrates the region's history of mining, logging and fishing. This year's schedule was not yet set at press time, but past celebrations have included a trail ride to mining sites, a timber show, a boat parade, craft and food vendors, bonfires on the beach, and fireworks over Lake Superior.

Ontonagon County Fair

The Ontonagon County Fair will be held on Saturday and Sunday, July 29 and 30 at Adventure Mountain in Greenland. Entries can be registered in advance on Friday, July 28.

The event traditionally includes exhibitions of arts and crafts, baked goods and preserves, photography, and educational projects. In addition, 4-H youth display and sell their animals and demonstrate horse-riding skills. One popular competition is cattle sorting, and a show of antique engines also is typical.

The same site also features a September fall festival with food and music, craft activities, a petting zoo, a pie-eating contest, and apple cider-pressing.

67th annual Labor Day Festival

The 67th annual Ontonagon Labor Day Festival will take place on the weekend of Sept. 1-3, just prior to the actual Monday holiday on Sept. 4.

Festivities are expected to begin on Friday evening with a community picnic at the Ontonagon Marina Park. Saturday will feature Maxwell Street Day in the downtown area, including sidewalk sales, live music, a Laborfest Car Show, kids' games, a kiddy parade and food vendors.

Sunday will start in the morning with a VFW pancake breakfast and the Ed Hansen Memorial Day Run, Walk & Roll. The afternoon will feature a lively 2 p.m. parade on River Street. Usually, members of Marty's Goldenaires, a parade and concert corps, also perform.

Concluding the festival will be a community gathering in the afternoon and evening in the Ontonagon Village Community Center. It will include live music and dancing, kids' games, plenty of food, and various raffles including the 50/50 raffle.

Ewen Log Jamboree

Scheduled in September, the Ewen Log Jamboree typically heralds the logging industry with a parade, a log-rolling demonstration, food and games, hayrides, live music and lots of flannel shirts.

For emerging details on Ontonagon County events, which will occur on EDT, check local media and Facebook.

Emberlight Festival

In its third year running, the 2023 Emberlight Festival will offer more than 30 events over eight weeks from Saturday, July 1-Saturday, Aug. 26 at various locations, primarily in Ironwood. This year's theme will be "Essence of the Artist."

The festival will offer main stage entertainment by global performers, along with an international film festival, five performance infusions, a "Behind the Curtains" series, an Art in the Park installation and other exhibits. A youth ambassador program will round out the action.

Emberlight also will offer its first theatrical production this year with what it promises to be a "deliciously witty" one-man play called "Buyer & Cellar," written by Jonathan Tolins. Miles Mykkanen, a local native and renowned tenor, who is also Emberlight's artistic director, will star as "an out-of-work aspiring actor hired for a mysterious job at the home of legendary Barbra Streisand." Directing the production will be Colton Pometta of New York. The play, which promises to explore "life and work relationships on opposite sides of the red carpet," will run on July 14, 20, 21, and 22 at 7:30 p.m. at Theatre North in Ironwood.

Pometta also will lead Emberlight's International Film Festival from Aug. 18-25 at Ironwood's Theatre North. The event will feature films selected from hundreds of submissions from around the world.

During the entirety of the Emberlight Festival, two art shows will be on view at the Historic Ironwood Depot. One show, titled "Portraits of a Place," will be by the festival's 2023 guest artist, Lauren Duffy of Ashland. Originally from Louisiana, she is a ceramics artist whose show is based, in turn, on 12 other area artists whose own art forms represent ceramics, sculpture, vocal music, instrumental music, drama, painting, wood-working, photography, fiber arts, drawing, dance, and creative

writing. The second art show will be the Emberlight Photographers Show.

The festival's three different main stage concerts will feature guest artists from Broadway, the Metropolitan Opera and the global arena. The first concert, called "Characters," will be on Thursday, Aug. 3 and Friday, Aug. 5 at 7:30 p.m. in the Historic Ironwood Theatre. It will star Mykkanen and New York pianist Adam Rothenberg in a show that "promises a fun, spontaneous, unique evening of musical hilarity as the duo performs fan-favorite songs from some of theater's most memorable characters."

The second main stage concert will feature world-class soprano Ann Toomey in a one-night show on Saturday, Aug. 19 at 7:30 p.m. in the Hurley School Auditorium. Pianist Madeline Slettedahl will accompany Toomey. Emberlight promises a beautiful mixture of opera and other classical music, along with popular songs.

The third main stage event will be "Showstoppers," and it will serve as Emberlight's grand finale at the Historic Ironwood Theatre on Saturday, Aug. 26 at 7:30 p.m. Soloists will include acclaimed violinist Chelsea Starbuck Smith and Broadway stars Arica Jackson and Zachary Noah Piser. Rothenberg will provide accompaniment on the piano. Also announced during the night will be the winners of the International Film Festival and the Art in the Park competition.

Throughout the festival will be a "Behind the Curtain" Series, which will include performance and intimate talkbacks with artists and scholars.

Information on seasonal and individual tickets for the Emberlight Festival is available at emberlight.org. More than 60% of programs will be free. See Emberlight.org and local media for continuing details.

The Friends of the Porkies will present the 17th annual Porcupine Mountains Music Festival on Aug. 25-26 at the Winter Sports Complex within Porcupine Mountains Wilderness State Park in Silver City.

The two-day event will feature three stages and multiple genres, including regional, national and international artists. Each day will start at 12:30 p.m. ET and will end at about 10 p.m. A children's activity tent also is expected during designated hours.

The outdoor Peace Hill stage is the festival's main stage, facing a sloped hill used for skiing in the winter. The hill suggests an organic amphitheatre upon which people can lounge on the grass. An additional chalet stage inside will feature other musical performances and a Q & A workshop. In addition, the festival's third stage in the busking barn will offer sea-

soned performers and amateurs in an intimate, acoustic setting.

Food and non-alcoholic beverages will be available at the chalet throughout the festival. Persons attending also may bring their own food and beverages (including alcoholic ones), along with blankets and lawn chairs.

Previous festivals have run within a three-day time frame. However, after cancelling the event in 2020 and 2021 due to the COVID-19 pandemic, organizers decided to drop Sunday activities and expand the Friday framework.

Additional details and ticket sales are available on the festival website, porkiesfestival.org.

The Porkies Music Fest is supported by the Michigan Arts and Culture Council, the National Endowment for the Arts, and other sponsors.

ART PARK

Aurora Street
Ironwood
906-932-5050

A small downtown Ironwood park dedicated to displaying and experiencing art.

BLACK RIVER HARBOR

County Road 513
Ironwood Township
906-932-1330

While the boat harbor is closed this season for repairs, much of the rest of the facility is open including a campground with 40 sites, toilets and drinking water, picnic and grilling areas, pavilion and access to the North Country Trail along the Black River with access to several scenic waterfalls.

BLUFF VALLEY PARK

North Moore Street
Bessemer
906-663-4311

Located at the base of one of the bluffs that overlook the city. Pavilion with restrooms. Kitchen rental available. Picnic area, play equipment, pond and walking path.

BOBCAT LAKE

Marenisco Township
906-932-1330

Campground 3 miles southeast of Marenisco is managed by Ottawa National Forest and offers 11 campsites, picnic tables, water, toilets and boat ramp. Day use area offers sandy beach, picnic tables, toilets and changing house.

BURNED DAM

Watersmeet Township
906-358-4724

Campground 9 miles east of Wa-

Black River Harbor

As part of the Ottawa National Forest, Black River Harbor does not disappoint when it comes to communing with nature. The site offers not only a bevy of trees, but also a suspension bridge that connects a grassy picnic area with a broad, long, sandy beach along Lake Superior.

Also part of the package are a campground and trails of various levels that reward hikers with several platforms offering views of various waterfalls. A significant portion of the trail system is part of the North Country Trail.

According to the ONF, which manages the site, the harbor itself is the only one within the National Forest System. It includes a charming boardwalk along the Black River, which flows out into the lake. There is a day-use fee.

Not surprisingly, boating is a popular pastime in the area, and the harbor management aims to accommodate almost any craft. There is no launching fee at what is one of the few public access points to the lake.

The picnic area includes multiple grills and tables, as well as a historic pavilion built by the Civilian Conservation Corps. The campground has 40 campsites, with 23 of them reserved and 17 "first-come, first-served."

Black River Harbor is less than a half-hour drive north from either Bessemer or Ironwood. In 1992, County Road 513 was designated a National Scenic Byway from the intersection with County Road 204 (Airport Road) north to the harbor, providing drivers with a curvy drive through occasional canopies of trees along the final 11 miles. There is a series of waterfalls on the Black River just east of the road, with a number of places to park and trails to walk to the falls.

William A. Burt, a land surveyor, completed a survey of what is now the Black River Recreation Area in 1848. His work shows a wagon road going south from the mouth of the Black River to Chippewa Hill, which is the location of the Copper Peak Ski Flying Hill.

For more information, call the Ottawa National Forest Headquarters at 800-562-1201 or visit recreation.gov.

tersmeet is managed by Ottawa National Forest and is a short walk from Mex-i-mine Falls. No services.

HENRY LAKE

Marenisco Township
906-932-1330

Campground 9 miles southwest of

Little Girl's Point

Little Girl's Point County Park is on the shores of Lake Superior, about 18 miles north of Ironwood on Lake Road.

Camping, swimming, fishing, rock-hounding, boating and sightseeing are all ways to enjoy the beauty and grandeur of this site. On most days, the Porcupine Mountains are clearly visible to the east and the Apostle Islands are visible to the northwest. Within the park boundaries, the mouth of Oman's Creek offers boating access.

The site includes a lodge established in 1951 by the Gogebic County Cooperative Extension. It has hosted many social events, including weddings, receptions, family reunions, class reunions and youth camps. The facility can sleep up to 40 overnight guests and provides a large kitchen and dining hall with a cut stone, wood-burning fireplace. There is space outdoors adequate for several tents or campers, along with a campfire area and a beautiful view of the lake, as well as access to the beach.

Little Girl's Point Campground also features breathtaking views of Lake Superior, as well as two pavilions, grills, picnic tables, walking trails and updated playground equipment. There are 29 electric (30-amp power) and two nonelectric campsites available for nightly or monthly reservations.

Little Girl's Point County Park was established as a recreational facility by Gogebic County in 1920. The Gogebic County Forestry and Parks Department maintains the park, which is typically open from about mid-May to the fall. For registration information about the lodge or campground, call 906-663-4428.

Marenisco is managed by Ottawa National Forest and offers 11 campsites,

picnic tables, water, toilets, boat landing and fishing pier.

Lake Gogebic County Park

The Lake Gogebic County Park is on M-64 in Marenisco, with direct access to the lake and 53 electric (30-amp) campsites.

The campground offers seasonal sites that can be occupied from mid-May to the end of September. There are a number of sites also available for nightly or monthly camping reservations.

Lake Gogebic County Park offers a pavilion with picnic tables, playground equipment and on-site boating access. It also provides sewage waste service for a minimal fee.

The dock at the park provides a convenient way for campers to fish. There also are several restaurants along the lake shore for locals and visitors to enjoy.

For more information, call the Gogebic County Forestry and Parks Commission office at 906-663-4428 or see the website at gogebicforestryand-parks.com.

Campground 11 miles southeast of Marenisco is managed by Ottawa National Forest and offers 11 campsites, picnic tables, water, toilets and boat ramp.

North Country Trail

The North Country National Scenic Trail stretches more than 4,600 miles from North Dakota to Vermont and is the longest trail in the National Trail System. It also includes this tri-county region along its route.

Marked by blue blazes along its path, the North Country Trail offers an excellent route to explore forests and waterfalls within Gogebic and Ontonagon counties, as well as Iron County, Wisconsin.

The roughly 40 miles of trail in Iron County are a mix of on-road and off-road hiking between Copper Falls State Park in Ashland County and the Michigan border near Superior Falls. The North Country Trail's website describes this section, which includes waterfalls and the Penoque Mountain Range, as moderately difficult. Many rocky outcrops along the way provide impressive views.

Once in Michigan, the trail follows Lake and Airport roads to Black River Road before going off-road near Copper Peak. The trail runs north to Black River Harbor before crossing the river and heading east toward M-64 and the Porcupine Mountains.

"The area consists of mostly mature forest with diverse flora and fauna, a mixed terrain of old logging roads, narrow paths and elevation changes," states the website, which recommends "areas of particular beauty" as Black River Harbor and the Presque Isle River area of Porcupine Mountains Wilderness State Park.

The section of the trail in the Western Upper Peninsula is rated as difficult, although this could vary, depending on where people are hiking along the 192 miles between the state border and the Marquette/Baraga county line.

Staff and volunteers of the North Country Trail Association help to conceive, construct, sign and maintain the trail, which stretches 550 miles across the U.P. and another 600 miles through the Lower Peninsula.

For more information on this all-season experience, see northcountrytrail.org.

906-663-4311

Located on east end of town on U.S. 2. Dedicated in 1949, the park honors those who served their country. Includes picnic area and restrooms.

MI-TRALE

The Michigan Trails and Recreational Alliance of Land and the Environment offers a variety of trails in the Ottawa National Forest of the western Upper Peninsula. More often known by the acronym of MI-TRALE, the volunteer alliance has more than 550 miles of ATV, side-by-side, equine and multiuse trails that also can be used by hikers. Fifteen water trails also are available.

MI-TRALE.org, the group's website, has a wealth of information about each type of trail, including photos and maps. It also has information on seasonal preparation, trail signs, trail etiquette, geocaching, and news information such as trail status reports. There is also a calendar, as well as a list of 2023 trail events such as picnic rides, historic rides, water-

fall rides, and a senior color ride.

Safety advice includes explanations about emergency locator signage, first aid tips, and general security guidance regarding each type of trail. In general, MI-TRALE advises trail users to be mindful of weather, use properly maintained equipment, dress appropriately, stay on designated routes, travel in groups, and report plans to other friends or family. Trail users also are asked to yield to uphill travelers and to hikers, bikers and horses. Carry a current map, gps and a cell phone, and leave trails — which are mapped and signed — clean.

The website has information on how to order an updated "Michigan U.P. Trails" map app, as well as an updated paper map.

Ottawa National Forest

One of the western U.P.'s biggest gems is the Ottawa National Forest, which consists of nearly one million acres of land, including endless trails among old-growth trees, abundant wildlife, 500 named lakes, and 2,000 miles of rivers and streams with multiple waterfalls.

Forty percent of ONF land is privately owned, but much of it is open to the public.

The region is revered by outdoor enthusiasts who wish to spend a day canoeing, kayaking or just strolling in the woods, enjoying the beautiful views among elevations ranging from 600 feet to 1,800 feet. Other folks commit to extended periods of fishing, hunting and/or camping out in the wild. Also open for OHV use are more than 2,300 miles of Forest Service road and trail.

About a dozen ONF campgrounds exist in the U.P.'s two westernmost counties. Most notable in Gogebic County are the Sylvania Wilderness and the Black River Harbor Recreational Area, which has access to Lake Superior. But Gogebic also features the following additional ONF campgrounds: Bobcat Lake, Henry Lake, Moosehead Lake, Pomeroy Lake, Burned Dam, Imp Lake, Marion Lake and Robbins Pond. Ontonagon County also has two ONF campgrounds at Courtney Lake and Bob Lake.

Most campgrounds open by the Friday before Memorial Day and close after Labor Day. A small number may remain open into the fall leaf season. Camping in the Ottawa is almost always on a first-come, first-served basis. ONF campgrounds offer various camping experiences, with most sites requiring a nightly fee. Some locations can accommodate camping units from 45-60 feet in length.

Most campsites are located on streams or lakes and so facilitate fishing. Moreover, most managed campgrounds also include picnic tables, tent pads, fire grates and toilet facilities. The Ottawa's most developed campsites are at Clark Lake and Black River Harbor, which include paved access, pressurized water systems, flush toilets and other amenities.

Camping in developed campsites may not exceed 14 days without moving to another campground or dispersed

site for 24 hours or more. At dispersed campsites, campers are required — after 16 days — to pack up and relocate to another site at least five miles away.

East of this region, in Iron and Houghton counties, the ONF offers the McCormick Wilderness Area and the Sturgeon River Gorge Wilderness,

as well as additional campgrounds.

The ONF also manages the J.W. Toumey Nursery in Watersmeet and the Nesbit Lake Organization Camp in Iron County. Both provide ample educational opportunities for folks of all ages.

Serving the ONF are two Secure Rural Schools Resource Advisory Committees (RACs), as chartered by the U.S. Department of Agriculture. One is in Gogebic, and one is in Ontonagon, with meetings open to the public. Volunteer opportunities also are available.

More information, including links to campgrounds and dispersed camping, is available at fs.usda.gov/ottawa or 906-932-1330.

Ottawa Visitor Center

The Ottawa Visitor Center in Watersmeet is the hub for recreational activities in the Ottawa National Forest. It is located east of the intersection at U.S. 2 and U.S. 45.

The center features a wealth of information, including area maps and wildlife displays. It also offers environmental education programs and a gift shop. Access to several nature trails is available from the visitor center location.

Prior to the COVID-19 pandemic, the center had been open seven days a week from 9 a.m. to 5 p.m. from Memorial Day to Labor Day, and from 8 a.m. to 4 p.m. Monday through Friday the rest of the year. As of press time, it was not clear whether the center would be open during this season. For more information, call 906-932-1330 or 906-358-4724.

MINERS MEMORIAL PARK

Ayer Street
Ironwood
906-932-5050

OTTAWA NATIONAL FOREST

Headquarters
U.S. 2
Ironwood
906-932-1330

Covering nearly a million acres in the Western Upper Peninsula, the Ottawa National Forest has 22 campgrounds with a wide range of camping experiences.

Lake Gogebic State Park

Lake Gogebic State Park covers 360 acres and nearly a mile of lake frontage on the west shore of the largest inland lake in the Upper Peninsula.

Located on M-64 between U.S. 2 and M-28, the park offers a campground, swimming beach, boat launch, picnic area, playground and hiking trail.

About 30 campsites are located directly on the lake front and the rest are nestled among the trees not more than 100 yards from the lake.

The campground offers 105 sites with modern restrooms, electrical services and a sanitation station. There are 22 more rustic sites available without electric service. For camping reservations, visit midnr-reservations.com.

Located on the edge of an extensive upland area set in the heart of the Ottawa National Forest, Lake

Gogebic State Park is an ideal point from which to explore the western Upper Peninsula. Many points of interest are within easy reach of the park. Bond Falls and Agate Falls are to the east, the beautiful falls and rapids of the Black River and

Presque Isle River to the northeast and the magnificent Porcupine Mountains and Lake Superior to the north.

The park is located at N 9995 M-64, Marenisco MI, 49947-9722. For more information call 906-842-3341 or visit michigan.gov/dnr.

Sylvania Wilderness Area

The Sylvania Wilderness and Recreational Area, located directly west of Watersmeet, is part of the Ottawa National Forest and the National Wilderness Preservation System. It was established in 1987.

Renowned for its beauty, the area boasts 18,327 acres of camping, fishing, hiking and canoeing, including 34 named lakes — many with sandy beaches. Old-growth forests contain large pines, and the area also features many endangered plants and animals native to this region.

The Sylvania Wilderness offers 50 designated campsites. Clark Lake Campground offers drive-up campsites with a nearby picnic area, drinkable water, restrooms and a boat launch.

For more adventurous campers, the wilderness contains a multitude of campsites woven through the various hiking trails. The designated areas have a fire ring and a wilderness latrine provided at each site.

A permit is required for all campers within the Sylvania Wilderness Area. For more information, call 906-932-1330.

POCKET PARK

Aurora & Suffolk Streets
Ironwood
906-932-5050

Located on the corner of Aurora and Suffolk streets in downtown Ironwood includes flower gardens and park benches.

POMEROY LAKE

Marenisco Township
906-932-1330

Campground 8 miles southeast of Marenisco is managed by Ottawa National Forest and offers 17 campsites, picnic tables, water, toilets and boat ramp.

RAMSAY MEMORIAL PARK

Bessemer Township
906-667-0333

Nestled along the Black River just south of the Keystone Bridge, the park features picnic area, pavilion and playground.

ROBBINS POND

Watersmeet Township
906-358-4724

Campground 10 miles north of Watersmeet is managed by Ottawa National Forest offers three campsites. No services.

SUNDAY LAKE PARK AND CAMPGROUND

Sunday Lake
Wakefield
906-229-5131

Wakefield's Eddy Park has two pavil-

ions, playground, beach and a campground that is open from Memorial Day weekend through the end of September.

SYLVANIA WILDERNESS AND RECREATION AREA

Watersmeet Township
906-358-4404

The Sylvania Wilderness encompasses 18,327 acres of primitive lands and is part of the National Wilderness Preservation System. Visitors can camp in 50 designated campsites. Visitors enjoy endless canoeing, fishing, hiking and wildlife viewing opportunities.

Ontonagon County

BERGLAND TOWNSHIP PARK

M-26
906-575-3522

Located on the north end of Lake Gogebic, Bergland Township Park offers 28 camping sites as well as beach, picnic area, ball field and tennis courts.

COURTNEY LAKE

Bohemia Township
906-884-2085

Campground 22 miles southeast of Ontonagon is managed by Ottawa National Forest and offers 21 campsites, picnic tables, water, toilets, boat ramp and beach.

Ontonagon Township Park

The 76-acre Ontonagon Township Park is located on the shore of Lake Superior.

The park is within walking distance to downtown Ontonagon by way of a paved path.

The park is one of only a few that allows bonfires on the beach, where campers can roast meals or marshmallows.

Gorgeous sunsets and sunrises also abound.

Eighty campsites are available, along with two rental buildings for larger gatherings, a shower house, modern bathrooms, a playground, basketball hoops and a disc golf area.

Each campsite has a fire pit, picnic table, water and power. Firewood bundles and ice are available.

An additional advantage of this location is that it is only about 17 miles away from Porcupine Mountains Wilderness State Park.

Porcupine Mountains State Park

Many visitors to this region regard the Porcupine Mountains Wilderness State Park as a must-see destination. Several hundred thousand of them travel each year to relish what is considered one of the last, vast wilderness areas in the Midwest. In fact, it is Michigan's largest state park, offering 60,000 acres, with much of it covered in tall pine and maple hemlock.

The park is split between two counties, with about 11,000 acres in Gogebic County and 49,000 acres in Ontonagon County.

The Gogebic County portion is accessible via N. County Road 519 in Wakefield Township. This section is known as the park's Presque Isle Unit, which includes stunning waterfalls on the Presque Isle River, along with adjacent woods that are largely free of brush. A bridge links the picnic area and the rustic campground to a Lake Superior beach.

A lookout area on the Ontonagon side of the park offers a spectacular view of Lake of the Clouds and old-growth forest as far as the eye can see. This area includes the modern Union Bay Campground, which is also on Lake Superior. Cabins and yurts are also available. Another feature of this region is the Porcupine Mountains Wilderness Ski Area, with a chalet, rental shop and cafeteria to accommodate snow sports in winter and the Porkies Music Festival in summer. A group called

Friends of the Porkies offers educational classes at its Folk School.

The park's visitor center is near the junction of South Boundary Road and Highway M-107 in Ontonagon County. It offers maps, as well as a 100-seat auditorium and an exhibit hall with wildlife displays and regional history on lumber camps and copper mines. Call 906-885-5275 for seasonal hours.

The park has more than 90 miles of trails, including 23 miles of the North Country Trail, which is part of a national system. Overall, the park offers ample opportunities for hiking, biking, camping, fishing, hunting and just hanging out. Members of Michigan's Department of Natural Resources also provide regular guided journeys in all seasons.

For more information, call 906-884-2047, email info@porcupinemountains.com, or visit porcupineup.com.

Turtle-Flambeau Flowage

The Turtle-Flambeau Flowage Scenic Wilderness Waters Area is a nature lover's vacation destination. It offers 16 lakes, 195 islands and tens of thousands of acres of water and land, according to the Department of Natural Resources in Wisconsin.

The WDNR, which describes the area as "wild and rugged," offers 66 remote campsites that are accessible only by water. Additional camping is available via Iron County and private enterprise. The meandering shoreline of more than 200 miles includes six boat ramps.

The TFF is the result of a 1926 dam that was constructed to create a reservoir in southern Iron County.

Land surrounding the water includes five trails totaling nearly 250 miles that are ideal for hiking, biking and hunting in warmer seasons and snowshoeing and cross country skiing in winter. The five trails are Big Island Trail, Deadhorse Trail, Little Turtle Trail, Wilson Hills Trail and the wheelchair-friendly Hidden Rivers Nature Trail.

The region is known for its abundant wildlife, including eagles, deer, bear, timber wolves and moose.

The flowage has a number of underwater stumps and driftwood that make for an excellent fishing environment. Muskies more than 50 pounds have been caught in this region, but the area is best known for its abundant walleye population. There are

also smallmouth and largemouth bass, crappie, perch and bluegill.

Located between Mercer and Park Falls, Wisconsin, the flowage can be reached from County FF off U.S. 51.

For more information, contact the Mercer Ranger Station at 715-476-2240, or visit mercerc.cc or turtle-flambeauflowage.com or WDNR websites.

Wakefield boat races

The Outboard Nationals return to Wakefield again this summer, bringing several hundred races to Sunday Lake. This is the 18th time the event will be held in Wakefield, dating back to 1980. The most recent time was in 2019.

According to the APBA calendar, the races will take place here from Tuesday through Saturday, Aug. 1-5, with testing occurring on Monday, July 31.

The American Power Boat Association, which hosts the event, has reported that the Stock Outboard, Modified Outboard, and J Committee members have voted to have Wakefield host the 2023 Closed Course National Championships.

The APBA is the U.S. governing body for power boat racing. More than 150 races nationwide are sanctioned by the APBA.

When the races are not occurring in Wakefield every four years, they are held annually in other locations around the country.

During the time of testing and races, Sunday Lake will be

closed to public use. However, the public will be welcome to watch the races from the shore.

For more information, see the APBA website at bsoaracing.com or the association's Facebook page.

Watercross racing

A new water show featuring snowmobile watercross racing also is pending for Wakefield this summer. The precise date was not yet determined at press time.

The International Watercross Association competition, which invites snowmobilers to compete on the water with specially modified machines, is expected to be held here for the first time.

The nonprofit IWA is member-owned and operated and was founded in 1988.

For more information, see the association's website at iwaracing.org or its Facebook page, and watch local media for continuing announcements.

Iron Belle Trail

The Iron Belle Trail system is an ongoing and exciting new development in the area and across the state of Michigan. It is a set of two trails that are planned to run throughout the Upper and Lower Peninsulas, from Ironwood to Belle Isle Park in Detroit. It is considered to be the longest state-designated trail system in the nation.

One trail is for hiking and the other for biking and other non-motorized use. The two scenic trails wind within the beautiful Northwoods landscape along rivers and other natural landmarks.

Locally, the Western Gateway Trail Authority has been instrumental in building a paved trail from Ironwood to Ramsay, mostly along a former railroad grade. The paved trail crosses many bridges and reaches into Hurley on the western end. Organizers hope to extend the trail further east into

Wakefield.

The North Country Trail — which travels along the Black River in northern Gogebic County and over to the Porcupine Mountains Wilderness State Park — has been designated as part of the Iron Belle Hiking Trail.

U.S. 2 comprises much of the biking route across the U.P.

The trail's website includes trail maps and predicts that the entire route, when finished, will stretch 2,000 miles. It is 71% complete.

The expansion — with help from Michigan's Department of Natural Resources — is expected to continue for years.

Locally, there is a potential for connection with the Northern Highlands Regional Non-motorized Trail, which reaches Mercer, Wisconsin, to the north, and other regional trail systems.

Gile Flowage

The Gile Flowage in Wisconsin is known for both its beauty and its fishing.

According to the Wisconsin Department of Natural Resources, the 3,138-acre lake has a maximum depth of 25 feet and offers four public boat landings. The WDNR reports that northern pike, panfish and smallmouth bass are available amidst large musky and an abundance of walleye.

Landings in Gile and on County C offer ample space for parking boat trailers and also facilitate fishing along the 26-

mile shore. The Gile Park landing is in Gile, which is officially part of the city of Montreal.

Along with other streams, the west fork of the Montreal River feeds the flowage, which is controlled by Xcel Energy. Back in the 1940s, the Lake Superior District Power Company filled the flowage by creating a dam.

Winter fishing has become as popular on the flowage as summer angling, and tents spring up on the ice during cold winter months.

Saxon Harbor

Saxon Harbor is located on Lake Superior's Oronto Bay in Wisconsin. The location includes a marina and a campground that were rebuilt after a devastating 2016 storm.

The new marina features 81 seasonal slips, plus transient slips, with water and power also available to boaters. Besides a boat launch, there is also a kayak launch.

A park includes picnic tables and playground equipment.

The campground is expected to open for the season in May, with 31 RV sites and five walk-in tent sites noted for reservation. Restrooms, showers and a dump station also are available.

The harbor, park and campground are located on the north end of County A, off Wisconsin 122, north of U.S. 2 in Saxon.

Campground and marina reservations can be made at ironcountyforest.org.

For more information, call the Iron County Forestry and Parks Department at 715-561-2697.

Golf courses

Golfing the courses on the Gogebic Range is an excellent way to spend a summer day.

The Gogebic Country Club in Ironwood (906-932-2525) offers 18 holes on a mostly flat layout, with plenty of interesting holes that offer a variety of options. Perhaps the signature hole is the dogleg par four No. 14, guarded by deep bunkers on both sides. A steeply sloped green adds to the challenge.

The long par 5 finishing hole, with a green that can be viewed from the dining area of the clubhouse, is another favorite.

At the Eagle Bluff Golf Club in Hurley (715-561-3552), the sloped greens are a challenge and the back nine can be brutal under windy conditions. Still, there are plenty of short holes that present birdie opportunities following accurate drives.

The toughest hole is the par four No. 11, which doglegs

right. It takes a healthy drive to get a look at the green and keeping the ball in play off the tee can be tough. Five is a good score on the 420-yard hole.

Northern Waters Casino's Lac Vieux Desert Golf Course (906-358-0303) offers 18 holes with blue grass fairways right next to the casino in Watersmeet. The back nine is as challenging as any course in the area.

Tahoe Lynx near Mercer (715-476-0050), offers nine holes in a wooded setting.

Skye Golf Club (715-561-2227) includes nine holes built into the ski runs and trails of Whitecap Mountain with views of Iron County, Lake Superior and Weber Lake. As of deadline for this publication it was closed for the season.

Other courses in the region include the Chequamegon Bay in Ashland, the Ontonagon Golf Club, the Gateway Golf Club in Land O' Lakes, the Mellen Country Club and the Trout Lake Golf Club in Arbor Vitae.

Downtown Ironwood

Ironwood's new Downtown City Square was completed in 2022 on the corner of Lowell and Aurora streets. This site of many formal and informal summer gatherings includes a small amphitheater, an outdoor fireplace, a splash pad, outdoor seating, and a car-charging station.

Aurora Street, which is the main downtown street, also offers two other smaller areas of repose, including the Pocket Park, filled with flowers, on the corner of Suffolk and Aurora streets; and the Art Park, which features colorful murals, across from the Historic Ironwood Theatre.

The Historic Ironwood Depot Park is on Lowell Street, behind the U.S. Post Office. It includes a former Chicago and North Western Railroad Depot that now houses the Ironwood Chamber of Commerce and a museum run by the Ironwood Area Historical Society. The local ATV trail and non-motorized Iron Belle Trail also run through this park, which is the site of each year's Festival Ironwood.

Depot Park also offers a pavillion, playground, sand volleyball court and Kuitunen Fountain.

A few blocks south of downtown is Hiawatha Park, which features a newly restored 52-foot fiberglass statue of a North American Indian

chief. It is on Burma Road, which is contiguous with Suffolk Street. On the way there is a skateboard park.

Downtown Ironwood also offers the public a look back into history with two murals honoring the miners who worked on the Gogebic-Iron Range in northern Wisconsin and the Upper Peninsula.

One mural is on the 100 block of East McLeod Avenue, and the other mural is on the 100 block of South Lowell Street, across from the City Square.

Also downtown is the Ironwood Carnegie Library at 235 E. Aurora St.

Just a couple blocks away is the Memorial Building, located at the corner of McLeod Avenue and Marquette Street. It is home to city offices as well as the American Legion Post 5.

Public parking is available downtown at the corner of McLeod Avenue and Suffolk Street and on the 200 block of East Ayer Street.

For more information, visit ironwoodchamber.org.

Area Museums

Gogebic County

Ironwood's Old Depot Museum is at the site of the former Chicago and Northwestern Railroad Depot, built in 1892. It features iron mining displays and railroad memorabilia, as well as artifacts from Ironwood's past and the Ironwood Historical Society Research Center. The building is downtown between North Lowell and North Suffolk streets and is open Monday through Friday from 8 a.m. to 2 p.m. See ironwoodchamber.org or call the Ironwood Chamber of Commerce, which is also housed there, at 906-932-1122.

The Ironwood Memorial Building houses many historical displays, including a statue of a World War I doughboy; stained glass windows showing the Battle of Argonne; and numerous bronze tablets listing locals who served during the Civil War, Spanish-American War, and World War I. The building is at the corner of E. McLeod Avenue and S. Marquette Street. Hours are Monday through Friday from 7:30 a.m. to 4 p.m. See cityofironwood.org or call 906-932-5050.

The Bessemer Area Heritage Cen-

ter has a collection of logging and mining artifacts, as well as other memorabilia. The center is at 403 S. Sophie St. in Bessemer and is open from Memorial Day to Labor Day weekend from 1 to 4 p.m. See the museum's extensive website and Facebook page.

The Wakefield Historical Society Museum boasts a classroom display, general store, mining exhibits, and other artifacts dating back to 1884. The building is at 306 Sunday Lake St. and will be open Mondays through Saturdays, 1 to 4 p.m. (and by appointment), from May 26 until at least Labor Day. Call 906-224-1045.

The Marenisco Historical Society Museum is housed in a former Presbyterian church. It includes memorabilia on American Legion Post 523, the former Marenisco K-12 School, a 1956 train wreck, former industry and more. The museum is at the corner of Curtis and Main streets, around the corner from the Marenisco Township Hall. It will be open on Tuesdays from noon to 4 p.m. (and by appointment). More information is available at 906-392-0165 or 715-650-2466.

The Erwin Township Historical

Society is planning to open its museum with a dedication on July 1. The structure is an old school house that organizers moved to spot near the Township Hall on VanBuskirk Road north of Pioneer Road, before renovating the former East End School. The museum will contain many artifacts from the history of the township. The grounds of the museum will contain a history trail. For more information, visit the Erwin Township Historical Society's Facebook page.

Ontonagon County

Editor's Note: All hours listed for Ontonagon County are on Eastern Daylight Time.

The Ontonagon County Historical Society Museum houses mining, logging, farming and marine artifacts. The museum is open from spring until mid-October at 422 River St. in Ontonagon. Hours will be Tuesday through Saturday from 10 a.m. to 4 p.m. In addition, self-guided tours of The Light, a lighthouse listed in the National Register of Historic Places, may be done any day from 11 a.m. to 3 p.m. Visit ontonagon-museum.org or call 906-884-6165.

Old Victoria has scheduled a Craft Fair for Sunday, Aug. 20. This site consists of four restored log homes that were once used as company houses by former copper miners of Victoria Mine. Fully appointed buildings aim to give a true sense of life at the turn of the 20th Century. The location is at 25401 Victoria Dam Road in Rockland. See the related Facebook page or call 906-886-2617 for summer hours.

Rockland Township Historical Museum features the history of the township's people, copper mines, businesses, and first telephone system in the state of Michigan. Its collections include photographs, newspapers, documents, and artifacts relating to mining, farming, military, schools and household goods. See ontonagonmuseum.org.

Iron County

The Iron County Historical Society Museum has three floors and multiple theme rooms, including a weaving room, as well as local artifacts on iron mining, railroads, the lumber industry, area veterans, etc. Summer hours from April to October are Monday, Wednesday, Friday and Saturday from 10 a.m. to 2 p.m. (closed on holidays) at the former Iron County Courthouse at 202 Iron St. in Hurley. See the museum's Facebook page or call 715-561-2244.

Little Finland, which is the National Finnish American Festival Cultural Center, includes two authentic log homes of Finnish immigrants, as well as a sauna, gift shop, pavilion and the Taipele Trail. Little Finland is at 5750 U.S. 2, just west of U.S. 51 S., and is open Tuesdays and Saturdays from 10

a.m. to 2 p.m. from April to December. See littlefinland.org or call 715-561-4360.

The Mercer Historical Society's Depot Museum is a repurposed railroad station that showcases items from Mercer's history, including old photographs and maps, tools used by early settlers, and archived newspapers. The property also includes three historical buildings: an old jail, barber shop and a

one-room schoolhouse. The address is 5278 N. Lakeview Ave. in Mercer. The facility will be open from about Memorial Day to Labor Day. Hours are 10 a.m. to 2 p.m. on Fridays and Saturdays in June (and possibly also September). The same hours apply in July and August from Monday through Friday. Call 715-476-2714 or see the Mercer Chamber of Commerce website.

RAINBOW FALLS

Waterfalls

The many rivers in the area form an abundance of waterfalls. Use extreme caution on riverbanks and respect the power of the water. Officials from area chambers of commerce, the Ottawa National Forest and Porcupine Mountains Wilderness State Park can provide maps and more information.

Black River National Forest Scenic Byway

The Black River's final descent towards Lake Superior provides five spectacular waterfalls to visit.

Directions: Head north for about 3 miles along Powderhorn Road off of U.S. 2 near Bessemer. Take a left onto Black River Road and follow for it for over 10 miles. The waterfalls are on the right.

GREAT CONGLOMERATE FALLS

46.6325 - 90.055

This 20-foot waterfall is the first coming from town towards Black River Harbor. The 3/4 mile walk is the farthest of the five. It is named for the large piece of conglomerate rock that divides the two segments.

POTAWATOMI FALLS

46.6375 - 90.05139

These falls feature a 30-foot drop.

GORGE FALLS

46.64028 - 90.05028

The 24-foot fall is downstream from Potawatomi Falls and are reached from the same parking area. They are named for the deep, narrow gorge above and below the falls.

SANDSTONE FALLS

46.65 - 90.047

The smallest of the five waterfalls.

RAINBOW FALLS

46.65889 - 90.04361

Perhaps the most impressive of the five, the 30-foot Rainbow Falls can be viewed from both sides of the river. A

GORGE FALLS

half-mile hike from the Rainbow parking area leads to the observation deck. The best view is from the east side of the river, which can be accessed from Black River Harbor. Walk across the bridge and there is a sign before the beach. The mile-long trail is mostly flat after initially climbing the riverbank. Be careful, there is no guardrail.

Presque Isle River area

PRESQUE ISLE RIVER WATERFALLS

Directions: From Wakefield, travel east along M-28 to County Road 519. Follow that road north until you pass South Boundary Road, heading into the park and to a trail to visit the falls. This is part of the Porcupine Mountains

State Park.

MANABEZHO FALLS

46.70778 - 89.971677

This is the largest at 25 feet and it's also the last named waterfall before the Presque Isle River enters Lake Superior. The falls can be seen from both sides of the river. There is a pedes-

trian bridge downriver from here that offers a view of the potholes the river has carved.

MANIDO FALLS

46.705 - 89.97056

This 10-foot waterfall is just upstream from Manabezho Falls. Both can be viewed from either side of the river.

NAWADAHA FALLS

46.699 - 89.974

This is a low (15 feet), wide waterfall further upstream. It is near South Boundary Road and can also be accessed from the wilder, more primitive east side of the river, as can all three.

Border area

INTERSTATE FALLS

46.472506 - 90.199832

Taking U.S. 2 for .6 miles from Hurley to Center Drive, where there is a sign marking the property. Turning north at the sign, follow road straight east — do not take any side roads. Continue for .3 miles and park at large parking area on the left. Follow the trail to the north to visit Interstate Falls.

These are close to Ironwood and Hurley and offer a fantastic view.

SAXON FALLS

46.5327 - 90.3827

Drive west on U.S. 2 from Ironwood for about 10.5 miles, entering Wisconsin. Make a right turn onto County B and follow 2.4 miles, then continue on Saxon Falls Road for another 1/2 mile.

These 110-foot falls are located on the Montreal River. The gorge below the falls is one of the deepest in the Midwest. This waterfall is a strange one to access as it's near a power plant.

SUPERIOR FALLS

46.564818 - 90.415244

Take Wisconsin 122, turning north off of U.S. 2, near Saxon. Stay on 122 for 4.2 miles, crossing the Wisconsin-Michigan border. Continue another 1/2 mile, then turn left on a gravel road marked by Xcel Energy.

At 90 feet high, the falls are fed by the Montreal River near Lake Superior. There is a spectacular view from near the parking area and they can be seen at river level, but it involves a steep hike.

SUPERIOR FALLS

O KUN DE KUN FALLS

Summer Fun & Dining Guide – Page 57

Iron County Waterfalls

KIMBALL FALLS

46.485907 - 90.263706

Take U.S. 2 west of Hurley, turn south on Park Road and west on Town Park Drive.

These gently cascading rapids on the west branch of the Montreal River skirt the Kimball Town Park. The park offers picnic and play areas, as well as a nature trail.

POTATO RIVER FALLS

46.461142 - 90.53032

Take U.S. 2 to Wisconsin 169 and turn south. Continue for 2.8 miles through Gurney, then turn right on Potato River Falls Road. Travel 1.5 miles until you can't drive any farther. Rustic picnic campsites are available.

The falls are a monstrous 90 feet high, located on the Potato River in Gurney.

ROUSE FALLS

FOSTER FALLS

46.4225 - 90.4587

Head north from Upson on Wisconsin 122 for five miles. Turn west on Sullivan Road for three miles.

SPRING CAMP FALLS

46.347726 - 90.23942

From Hurley, take U.S. 51 south for 4.7 miles and turn right onto County C. Follow that for 1.5 miles. The road turns sharply north, don't take that. Continue on the gravel road for a mile, turn south and follow Island Lake Road for 3 miles. Turn right, go about 1.3 miles and follow the rustic path signs.

The 20-foot high falls are along the west branch of the Montreal River, south of Hurley, and are also known as the Montreal Falls.

WREN FALLS

46.39781 - 90.50755

Located along the Tyler Forks River, Wren Falls are 30 feet high. Take U.S. 2 15 miles west of Hurley and turn left on Wisconsin 169. Travel about 5.7 miles and turn left on Vogues Road. Stay on there for about 3.5 miles. At the hairpin turn, take the center road across for 1.5 miles. From there, hike up the hill to a primitive campsite on the north side of the falls.

UPSON FALLS

46.371214 - 90.412041

From Upson, travel west on Wisconsin 77, then take a right on Park Road. The signs will guide you to the Upson Town Park where you can view the 18-foot high falls.

LAKE OF THE FALLS

46.150491 - 90.151973

Travel northwest from Mercer on U.S. 51 for 1.4 miles, turn west on County FF and proceed to the picnic area about five miles. It's on the left.

It is 10 feet high and on the Turtle River.

ROUSE FALLS

46.370681 - 90.479515

Head west from Upson 2.5 miles on Wisconsin 77, turn right on Casey Sag Road for 1 mile. Hike .75 mile on the rustic trail.

SHAY'S DAM FALLS

46.236429 - 89.994581

Travel east from Mercer on County J, turn north on Beaver Lodge Circle, go 3.6 miles to Fisher Lake Road, turn east and go 1.2 miles. Watch for the sign.

These are 15 feet high.

GILE FALLS

46.43074 - 90.22715

Turn south off Wisconsin 77 onto Kokogan Street and then right onto Mellon Street.

LITTLE BALSAM FALLS

46.361397 - 90.495962

This is about 1 mile north of Wisconsin 77 and less than a half-mile south of the confluence of Erickson Creek and Tyler Forks River. There is a foot path to the falls.

LANDMARK® SERIES performs

SO MUCH DEPENDS ON YOUR ROOF.

What's your roof protecting? Your family. Your possessions. The integrity of your house. All under one roof. All protected by the same investment.

Landmark Series takes roofing to a higher level. It's engineered to outperform ordinary roofing in every category, keeping you comfortable, your home protected, and your peace-of-mind intact for years to come with a transferable warranty that's a leader in the industry.

Other area waterfalls

Ontonagon County

O KUN DE KUN

46.651498 - 89.15161

Take U.S. 45 north of Bruce Crossing for 8 miles. Parking lot is on the right. It is a 1.3-mile hike on an improved trail.

Located on the Baltimore River, these 25-foot high falls are worth the long hike. One of the only few plunge falls in Michigan, daredevils can actually go behind the falls in the summer but must be careful.

AGATE FALLS

46.48083-89.09083

Take M-28 east of Bruce Crossing for 6.5 miles. There's a park on the south side of the highway.

These 30-foot high falls are part of the middle branch of the Ontonagon River and considered among the most beautiful in Michigan. There is an observation deck, but the view is better from below the falls, which requires a difficult walk down a fisherman's trail.

BOND FALLS

46.40889 - 89.13278

Take U.S. 45 south of Bruce Crossing and head east on Bond Falls Road.

The 50-foot falls are fed by the middle branch of the Ontonagon River and Bond Flowage. Bond Falls are more than 100 feet wide. These are very easy to access.

Gogebic County

GABBRO (BAKERS) FALLS

46.50222 - 89.9921

Head north on Blackjack Road from U.S. 2 for about 1.6 miles, then take a left after a wooden covered bridge. Stay left for about 1/2 mile and find the falls to the east.

The 40-foot high falls are located on the Black River near Ramsay.

ROOT BEER FALLS

46.490568 - 89.927622

Take M-28 out of Wakefield and turn left onto Wertanen Road. Park near the bridge that crosses the creek.

The eight-foot high falls are on Planter Creek.

SUNDAY LAKE FALLS

46.29236 - 89.55907

This waterfall is off M-28 just east of Wakefield.

YONDOTA FALLS

46.4302 - 89.68408

From Bessemer, travel east on U.S. 2 approximately 19 miles to County Road 523, turn left onto 523 and travel approximately 3 1/4 miles to Yondota Falls. The trailhead is on the north side of the Presque Isle River Bridge.

It is a series of falls.

KAKABIKA FALLS

46.20267 - 89.27119

Heading east on U.S. 2 from

ROOT BEER FALLS

Marenisco, turn north onto County Road 527. Just before the road crosses the West Branch of the Ontonagon River, there is a turnoff and sign to the left.

It's an easy trail that leads to a series of S turns as the river drops.

POWDERHORN FALLS

46.30364 - 90.04913

Turn north onto Powderhorn Road off U.S. 2 before getting to Bessemer. Just before the road curves hard to the left, there is a parking spot on the right.

It's a short hike to the top of an outcropping. Climbing down further requires caution. These are part of Powder Mill Creek as it makes its way to the Black River.

Non-motorized trails

There are plenty of both motorized and non-motorized recreation opportunities in the Northwoods of Wisconsin and the Upper Peninsula, including a number of hiking and biking trails in the area. Maps and more information on the Wisconsin trails can be found at ironcountyoutdoors.org/iron-county-trails. More information on the Michigan trails can be found at travelironwood.com, fs.usda.gov/ottawa, the Michigan Department of Natural Resources' website for the Porcupine Mountains, porcupineup.com, and copperpeak.net.

Wisconsin

BIG ISLAND TRAIL: Located in the Turtle Flambeau Scenic Waters Area, this 8.8-mile trail system begins at the bridge to Big Island and can be accessed by going roughly 3.6 miles south on Popko Circle West from County FF before turning on a woods road heading west toward Big Island. A grass parking area for a couple of vehicles is located roughly 100 yards before the bridge. The trail is open to hiking and hunting, but not biking, according to the Wisconsin Department of Natural Resources.

CARY PARK TRAIL: This .75-mile trail rings Cary Park in the city of Hurley and runs along Wisconsin 77 towards the city's nearby downtown, where users can take city streets to connect to the Hurley trailhead between Second Avenue and the Montreal River.

CORRIGAN'S LOOKOUT: Located between the communities of Saxon and Upson, this short, .25-mile trail takes visitors from the parking area off Wisconsin 122 to one of northern Iron County's best scenic overlooks.

DEADHORSE TRAIL: This 4.6-mile trail in the Turtle Flambeau Scenic Waters Area can be accessed off Popko Circle West, roughly two miles south of County FF. Located in a special management unit for ruffed grouse, seven interpretive signs are located on the trail to provide information on how property owners can manage land for grouse. The trail is open to hiking and hunting, but not biking, according to the WDNR.

FROG LAKE AND PINES: Located in the Northern Highland-American Legion State Forest, this .17-mile trail is open to hiking year-round, according to the WDNR, but as a volunteer trail only and without designated trail or amenities. It can be accessed off Wisconsin 47, south of Mercer. Biking is not permitted.

HIDDEN RIVERS TRAIL: One of several trails in the Turtle Flambeau Scenic Waters Area, this approximately 2-mile trail is located on Fisherman's Landing Road. The trail has a gravel base and has interpretive signs explaining the history of the flowage and

management of the property. The trail is open to hiking and hunting, but not biking, according to the WDNR.

HURLEY SCHOOL FOREST: This 0.6 mile-trail runs through the Hurley School Forest north of where Knight Road cuts across the Gile Flowage.

INTERSTATE FALLS: A short 0.3-mile trail leads from the parking at the trailhead, through the town of Kimball's property, to the 18-foot waterfall on the Montreal River. The trailhead can be accessed near the U.S. 2-U.S. 51 intersection just outside of Hurley.

ISLAND LAKE HEMLOCKS SNA: Island Lake Hemlocks, near Island Lake Road in the town of Knight, features one of the oldest and most intact old-growth hemlock-hardwood stands in northern Wisconsin, according to the WDNR. The state nature area features .56 miles of trails and is open to hiking year-round, according to the WDNR, but as a volunteer trail only and without designated trail or amenities. Biking is not allowed.

KIMBALL TOWN PARK TRAIL: A short, 0.27-mile trail runs through the Kimball Town Park at Kimball Falls on the west fork of the Montreal River. The trail can be accessed from U.S. 2 by taking Park Road south to Town Park Road and parking at the road's end and walking across the bridge.

LEARNING ADVENTURE TRAIL: Located near the Hurley K-12 School, this 1.78-mile trail includes three different trails.

LIPP LAKE TRAIL: This half-mile trail loops around Lipp Lake in the Turtle Flambeau Scenic Waters Area. Located just off Popko Circle West, the trail goes through old growth white pine forests. The trail is open to hiking and hunting, but not biking, according to the WDNR.

LITTLE TURTLE TRAIL: Part of the MECCA Trail System, the 5.2 miles of mowed trail in the Little Turtle Waterfowl Management Area is at the end of Joe's Shack Road. The trail is open to hiking and hunting, but not biking, according to the WDNR.

MECCA SKI TRAILS: Known mostly as a winter recreation site, the club that maintains the trails has taken steps to expand the site into a year-round destination. Although roughly nine of the 13 miles of trail are accessible — mostly through the Little Turtle Flowage trailhead off Joe's Shack Road — the club

plans to complete a boardwalk project in partnership with the Iron County Forestry Department to open virtually all the trails, 12 of the 13 miles, to year-round use. The project would also make it easier for users to utilize both the Joe's Shack Road trailhead and the club's chalet trailheads on Fierick Road.

MERCER BIKE TRAIL: This 7.8-mile trail travels through Mercer southeast into Vilas County, where it becomes part of the 52-mile Heart of Vilas County Bike Trail system that winds through lakes, rivers and forests to connect Mercer with Manitowish Waters, Boulder Junction, Sayner and St. Germain.

MERCER RANGER STATION NATURE TRAIL: This .6-mile trail loops around the Mercer Ranger Station of U.S. 51 in the northern part of town. The trail is open year-round for hiking, according to the WDNR, but biking is not permitted.

MANITOWISH WATERS | MERCER | WI | 715/543-8070 | WWW.RIVERSEDGEWMW.COM

MERCER SCHOOL FOREST: Located east of town off Martha Lake Road, this .8-mile trail runs through the Mercer School Forest.

MONTREAL SKI TRAILS: Although the 5.34 miles of trails in the city of Montreal and town of Pence aren't necessarily designed for non-winter use, they are open to non-motorized users year-round. Although there is a connector trail from Pence to the Uller Trail near Upson, the easements for that section are limited to winter use only.

POTATO RIVER FALLS: This .34-mile trail, including the many steps and stairs, allows visitors to explore both the Upper and Lower Potato River Falls from the parking area at the end of Potato River Falls Road. There are 131 steps to the Upper and 204 steps to the Lower. To access the falls, visitors should take Wisconsin 169 south through the town of Gurney to Potato River Falls road.

SAXON FALLS: People can follow the short, .1-mile wooded hiking trail to the east of the parking area off Saxon Falls Road to reach the overlook location that offers views of Saxon Falls and deep gorge below the falls. People can take County B to get to Saxon Falls Road.

SCHOMBERG PARK SNOWSHOE TRAIL: Although primarily a snowshoe trail, Schomberg Park, located on U.S. 51 in Oma, features two loops for a combined 1.7 miles of trails. The swampy terrain could be a bit of a challenge during the non-winter months and users should explore at their own risk.

ULLER TRAIL: Another trail system that is more known as a winter destination, the Uller Trail offers 11 miles of trails through remote rolling and hilly terrain. Trailheads are located in Pence on Wisconsin 77, Hoyt Road about 1 mile north of Wisconsin 77, in Iron Belt on North Road and at Weber Lake. As with the Montreal Trails, the Uller Trail isn't necessarily maintained for heavy summer use and users encouraged to both use at their own risk and respect the trail by minimizing the impact of their use. Summer access between the Uller Trail and the trails in Montreal is

limited as the connector trail is restricted to winter use only.

WHITECAP MOUNTAIN: A pair of trails across Whitecap Mountain Resort near the town of Upson combine for a total of 1.5 miles of bike trails.

WILSON HILLS: Two segments between Wilson Lake and the Bonies Mound Area of the Turtle Flambeau Flowage combine to form this 5.5-mile of maintained trail. The trail can be accessed from several points along a woods road off Wilson Lake Road East. It's open to hiking and hunting, but not biking, according to the WDNR.

WINMAN: Located in Winchester, Wisconsin, WinMan Trails offers non-winter users over 14 miles of single-track mountain bike trails that range from beginner to expert in difficulty level. The four-season trail system travels over rolling hills and through pines and hardwood forests. There is also more than 16 miles of trails for hikers and

runners.

Michigan

BLUFF VALLEY PARK: Users can take the trails at Bluff Valley Park, located on North Moore Street in Bessemer, up to the several overlooks providing views of the city and surrounding area.

COPPER PEAK: Known mostly for its ski jump, Copper Peak in Ironwood Township also offers mountain bikers and trail runners a great experience to those of all abilities. The ride is not a "technical" trail system, according to Copper Peak's website, but the 600 feet of elevation gain over the 5.5 miles of trails makes for a fun, challenging and exciting adventure. Beginning at the base of the ski jump landing hill and descending down to the beautiful Black River to enjoy the river scenery, users then take winding trails up a 600-vertical foot ascent to the top of the ski jump to a beautiful 360-degree view and the massive ski jump structure.

After resting up, the trip back down to the base offers dozens of bermed corners and other fun “play” features for those on bikes.

MICHIGAN VISITORS

CENTER/RIVERSIDE TRAILS: Starting at either the Pure Michigan Welcome Center on U.S. 2 or the Riverside Cemetery in Ironwood, this trail offers three loops of hiking and biking trails through the Riverside Cemetery and along the Montreal River.

MINERS MEMORIAL HERITAGE

PARK: Located in the city of Ironwood, what used to be a mining operation within the city limits is now home to a mix of motorized and non-motorized trails. Offering a unique attraction for residents and tourists alike, the non-motorized trails can be used for activities including hiking and biking, running and walking, while providing safe corridors between many locations within the city of Ironwood and the opportunity for regional trail connections.

MT. ZION: Located on the campus of Gogebic Community College and

owned and operated by the college; a short, but challenging, roughly half-mile walking and biking trail takes users up the hill to the summit that provides views overlooking much of Ironwood Township and Copper Peak in the distance.

NORRIE PARK: Built as one of the area's Civilian Conservation Corps camps during the Great Depression, Norrie Park today offers a wide variety of recreational opportunities, including hiking and biking trails and a Montreal River walk. The park entrance is off Norrie Park Road, south of Ironwood.

OTTAWA NATIONAL FOREST: Hiking trails on the Ottawa National Forest offer something for everyone. More than 196 miles of hiking and backpacking trails vary widely in character, providing everything from short easy walks to waterfalls, historic sites or other points of interest to multi-day backpacking trips across the forest. The forest also provides a wide variety of mountain biking opportunities ranging from well-maintained and signed loops to more challenging cross-country travel. Besides wilderness and specifically designated hiker-only trails (including the North Country National Scenic Trail), the entire forest is open to mountain bikes. This includes closed, gated and blocked roads unless the road is specifically closed to bicycles. Many of the designated mountain bike trails are also open to other uses including, motor vehicle travel, ATVs, ORVs, snowmobiles, hikers and horses, so users are asked to be careful and share the trail.

PORCUPINE MOUNTAINS WILDERNESS STATE PARK: The state park offers 90 miles of hiking trails throughout its wilderness, including portions of the North Country National Scenic Trail and the statewide Iron Belle Trail. The park also offers a mix of on-road and off-road biking options, including the 107th Engineers Memorial Highway and M-64 along the south shore of Lake Superior and over 20 miles of mountain bike trails, with loops ranging from 1.5 to 10.5 miles. Bike rentals are also available from late May through mid-October at the Porcupine Mountain Outpost near the Union Bay Campground.

POWERS ROAD: A multiple-use trail that is open to all forms of travel, the Powers Road trails system that cuts across the back of Little Girl's Point in Ironwood Township provides some of the most scenic views in the region as the trail winds back and forth through vast stretches of Gogebic County forest land and over some of the highest elevations in the area. Because portions of the trail may be more difficult for some users, connection loops bring users around these areas. The system

also includes the Bald Mountain interpretive trail that brings users, by way of an old two track, to the top of Bald Mountain.

SPLIT ROCK: Alltrails.com describes the Split Rock Trail Loop as a .9-mile lightly trafficked loop trail located near Wakefield that offers the chance to see wildlife and is good for all skill levels. The trail is primarily used for hiking and nature trips. The trails can be accessed by following Putnam Street on to Castile Road.

SUNDAY LAKE LOOP: This trail, made up of a mix of paved trail, sidewalk and boardwalk, provides an almost 3-mile loop around Sunday Lake in Wakefield.

WOLF MOUNTAIN: The Wolf Mountain Hiking Trail east of Wakefield is a roughly .7-mile lightly trafficked trail rated moderate to difficult that provides access to a diverse display of spring wildflowers and rock outcrop plants. The trail is short but quite steep. It starts at the end of Forest Road 9300, and heads upward through tall sugar maple and oak trees. On either side of the trail many types of flowers can be seen. At about .3 miles, a lookout is reached, with a wide view to the west, looking over the forest canopy below.

The trail ducks back into the woods and emerges at a second west-facing lookout. About three-tenths of a mile further, the trail ends at a summit, with exposed rock under pine trees making an inviting rest or picnic spot. To reach Wolf Mountain, follow Forest Road 9300 north from U.S. 2 for 3.1 miles, crossing a creek and two utility corridors, to where this native surface road

ends in a turnaround loop. The trail-head is at the end of the loop and is marked with a small brown sign depicting a hiker.

WOLVERINE SKI TRAILS/BIG POWDERHORN TRAILS: With approximately 15 miles of ski trails including several loops for classic striding and skate skiing, 8.7 miles of marked snowshoe trails and 4.3 miles of snow bike trails, Wolverine Trails is another local trail system known mostly for its winter offerings, but it also offers biking, trail running and hiking opportunities during the warmer months.

Multi-state

NORTH COUNTRY TRAIL: The North Country National Scenic Trail runs more than 4,600 miles between North Dakota and Vermont, including through parts of both Gogebic and Ontonagon counties in Michigan and Iron County in Wisconsin.

IRON BELLE: The local section of the statewide non-motorized trail running between Ironwood and Belle Isle in Detroit continues to be developed with the completion of a section between Bessemer and Ramsay. The trail also extends across the Montreal River to Hurley.

Calendar of Events

May 6

Mozart - the Man and His Music, Historic Ironwood Theatre, ironwoodtheatre.net

Opie's Opener Fishing Tournament, Opie's Time Out, Downtown Gile.

'Where the waters meet'

Watersmeet lives up to its name by offering 302 lakes and 241 miles of trout streams. According to the Watersmeet Chamber of Commerce, the Cisco Chain alone has 15 lakes. The Lac Vieux Desert Lake, shared by Wisconsin, also has 4,200 acres of boundary waters and welcomes both Michigan and Wisconsin fishing licenses.

The origin of Watersmeet's name, according to the chamber, comes from three rivers that flow from the region in different directions — the Ontonagon River flows north into Lake Superior, the Wisconsin River flows south into the Mississippi River, and the Paint River flows east into Lake Michigan; hence, this is the place "where the waters meet."

All that water makes for a fisherman's paradise, with species including walleye, northern pike, cisco, trout, small- and large-mouth bass, panfish (such as bluegill, perch and crappie), silver musky, and state- and world-record tiger musky. May 15 is the fishing opener for northern pike and walleye. Catch-and-keep season for bass opens May 27. Free fishing without a license may be done on June 10-11. State parks, as well as state boating access sites, may be entered with no recreation pass on those days.

The region's trees rival water in abundance. The Ottawa National Forest features more than 1 million acres and 10 national forest campgrounds. As part of

that forest, the Sylvania Wilderness Area is run by the U.S. Forest Service. The Sylvania area boasts about 18,000 acres of "virgin forest," and portages connect many of its lakes. Its recreation area has a 48-unit campground, a pavilion with showers, boat landings, and a beach and picnic area.

For more information on camping, fishing, hunting, kayaking, hiking, biking, fall color tours, waterfalls, interpretive programs, and ATV trails, visit the Ottawa Visitor Center at U.S. 2 and U.S. 45, call 906-358-4724, or visit fs.fed.us/r9/ottawa.

Finally, the Michigan Trails and Recreation Alliance of Land and the Environment manages and maintains more than 500 miles of recreational trails in the Western U.P. The state will offer two free weekends on June 10-11 and Aug. 19-20, when ORV riders can use trails for free with no need of an ORV license or trail permit. For details and more trail information, visit mi-trale.org or the group's Facebook page. MI-TRALE also offers a free Smartphone app called "Michigan U.P. Trails" with regularly updated information on trails and trail businesses.

Watersmeet also typically offers Fourth of July activities. Watch local media reports for details.

For more information on Watersmeet, call the chamber at 906-358-9961 or visit watersmeet.org.

June 10

Lupine Junefest, Carow Park, Mercer, bike tour, live music and food. Registration on June 9 from 4-5 p.m. and Saturday until 8 a.m., group start at 8 a.m. from Carow Park for Road rides, 8:10 a.m. for Mercer Bike Trail ride.

Hurley city wide garage sale, 9 a.m. start. hurleywi.com or 715-561-4334.

June 10-11

Michigan Free Fishing Weekend, no fishing license required.

Michigan Free ORV Weekend, no license required.

June 11

June 23-25

2023 Mercer Open All-Species Fishing Tournament, features the Can-Yak and Open divisions, merceroopen.com for full details.

Matt Ahonen Memorial Softball Tournament, Gabby Fields, Wakefield.

Lake Gogebic Area

As the largest inland lake in the Upper Peninsula of Michigan, Lake Gogebic provides plenty of fun year round.

With more than 13,000 acres in both Gogebic and Ontonagon counties, the lake offers walleye, jumbo perch, whitefish, smallmouth bass and northern pike.

Kayaking has become popular on the lake and on several bays and streams around the lake, and some resorts offer kayak rentals. Surrounding the 36-mile shoreline are opportunities for hiking among waterfalls, wildlife and the Ottawa National Forest.

The Lake Gogebic Area Chamber of Commerce also has a monthly fishing contest and tagged fish contest from May 15-Sept. 14. In addition, the chamber will sponsor a John Murphy Memorial Fall Walleye Tournament on Sept. 8 and 9. The first-place winner will get \$2,000 along with prizes through 10th place. There also will be daily \$50 prizes for perch, smallmouth bass and northern pike.

The weekend of June 10-11 will feature free fishing and ORV riding (no license required). The weekend of Aug. 19-20 again offers free ORV riding.

The annual Tour da Lake Bicycle

Tour around Lake Gogebic will start at noon ET on June 24 at the Bergland Township Park.

Additional parks bordering the lake include Lake Gogebic County Park, Lake Gogebic State Park and Ontonagon County Park. The Lake Gogebic area also offers many horseback or multi-use trails. See MI-TRALE.org for details.

For more information and a full list of summer events on or near the lake, visit the chamber website at lakegogebicarea.com or email info@lakegogebicarea.com or call the chamber at 888-464-3242.

MI-TRALE Senior Citizen Color Tour, Watersmeet, mi-trale.org.

Copper Peak

The Adventure Ride at Copper Peak in Ironwood is a popular area attraction that provides panoramic views from the top of a former ski jump.

The jump was used for international ski competitions from 1970 until it was closed in 1994. The Adventure Ride allows visitors to rise 800 feet via a chairlift to an observation deck.

Visitors also then have the option to continue up an additional eight stories to the very top.

The awe-inspiring, unobstructed vista overlooks the south shore of Lake Superior, including Porcupine Mountains Wilderness State Park, which is 25 miles northeast in the Upper Peninsula of Michigan; 40 miles northwest past the Apostle Islands and northeast Wisconsin; and north across Lake Superior to

Isle Royale and to northern Minnesota and Canada.

The Adventure Ride typically opens Memorial Day weekend and closes in mid-October.

The Board of Directors of Copper Peak also now is striving to rebuild the site with the goal of it becoming the world's largest active ski jump for year-round competitions.

Copper Peak is 10 miles north of Bessemer via Black River Road (County Road 513). The address is at N. 13870 Copper Peak Road and includes on-site mountain bike trails and a gift shop.

Copper Peak is a registered Michigan Historic site and a member of the Western Upper Peninsula Heritage Network. For more information, visit copperpeak.net.
